WELCOME HOME, ENDURO

After almost 40 years, the **6DAYS - FIM Enduro of Nations**, historically known as the **International Six Days Enduro (ISDE)**, returns to the Bergamo valleys, our homeland! We are incredibly proud to host this prestigious event, which was first held in San Pellegrino Terme in 1968. Bergamo not only gave birth to some of the greatest champions in Enduro history, but it is also a land of enthusiasts who live and breathe this sport.

RACING TIME

Based in San Pellegrino Terme (Bergamo), **Racing Time** was born from the extensive experience of the **Honda Racing RedMoto Enduro Team** and its staff, who have been collaborating with Honda's World and Enduro Championships for years. In 2025, our main goal is to welcome riders to the 6DAYS, providing technical support and assistance right here in our homeland. Discover our packages designed to meet every need, from competition assistance to motorcycle rental, allowing you to enjoy this unique experience without any organizational worries.
